

POSITION INTRODUCTION

CALL FOR ACTOR: Leonardo Da Vinci

Age: 30s-50s

Gender: Male

Description: We are seeking a versatile actor to embody the essence of Leonardo Da Vinci. From his insatiable thirst for knowledge to his unparalleled artistic talent, the actor must convey Da Vinci's complexities with depth and authenticity in a friendly way for children and their families. The ideal candidate will possess a commanding stage presence, impeccable delivery, and the ability to capture the essence of the Renaissance man.

Florida Children's Museum seeks a roaming actor to interact with children and families as Leonardo Da Vinci in the traveling exhibit called "Leonardo's Lab".

Schedule can be flexible. Pay is hourly, negotiable, and seasonal. Actor is needed periodically between May 27 – September 1, 2024.

Access to your own authentic period/character costume is preferred, subject to approval by the Museum no less than one week prior to the first interactive performance.

Employment is contingent on passing a Level 2 background check.
